- Easy-grip, ergonomic, stainless steel handles stay cool during stovetop cooking.
- Perfect for all cooking surfaces.
- Oven safe up to 500° Fahrenheit.
- Dishwasher safe.
- Made in the USA.
- Limited lifetime warranty.

Try-Ply Construction

The perfect combination of professional grade 304 stainless steel and aluminum results in ideal performance and durability. The aluminum core provides quick and even heat distribution, while the interior and exterior stainless steel provides durability and an even cooking surface.

Easy-Grip, Ergonomic Cast Stainless Steel Handles

BlueStar handles are ergonomically designed for maximum comfort and ease of use. Cast steel construction ensures durability and oven compatibility up to 500°F.

Limited Lifetime Warranty

BlueStar cookware is built to last and to be free of defects in material and workmanship under normal home use from the date of the original purchase throughout the original purchaser's lifetime. Complete warranty information packaged with each set.
